

DIVE, SKI & SURF PRESENTS

# MANADO INDONESIA

Manado has spectacular dive sites to choose from, the Bunaken Marine Park stretches over 75,000 hectares in the pristine warm waters of the Sulawesi Sea. The beautiful coral reefs are home to many species of sea life, definitely making this a unique diving experience. You have the chance to see many different species of fish, starfish, and corals, with the possibility of seeing turtles.
